

# ORR LIMPISVASTI, MD

Orthopaedic Surgery  
Sports Medicine and Arthroscopic Surgery  
Kerlan-Jobe Orthopaedic Clinic  
Los Angeles and Orange County

## PROFESSIONAL ORGANIZATIONS

---

- Board Certified, American Board of Orthopaedic Surgery
- Board Certified, Sports Medicine (CAQ)
- Fellow, American Academy of Orthopaedic Surgeons
  - AAOS Publications Committee Member
- American Orthopaedic Society for Sports Medicine
  - Self-Assessment Examination Committee
- Arthroscopy Association of North America

## APPOINTMENTS AND AFFILIATIONS

---

- Anaheim Ducks- Team Orthopaedic Surgeon
- Los Angeles Angels Baseball- Orthopaedic Consultant
- Orthopaedic Biomechanics Laboratory, VA Long Beach and University of California at Irvine- Clinical Faculty
- American Journal of Sports Medicine- Reviewer

## EDUCATION

---

- Sports Medicine Fellowship  
Kerlan Jobe Orthopaedic Clinic  
Los Angeles, California
- Orthopaedic Surgery Residency  
University of Hawaii Orthopaedic Residency Training Program  
Honolulu, Hawaii
- Doctor of Medicine  
University of Rochester School of Medicine and Dentistry  
Rochester, New York
- Bachelor of Science, Biological Sciences  
University of California at Irvine  
Irvine, California

## ACTIVE MEDICAL LICENSURE

---

- Medical Board of California
- Medical Board of Arizona
- Board of Medical Examiners, State of Hawaii

## SPORTS MEDICINE RESEARCH AND PUBLICATIONS

---

### SHOULDER INSTABILITY AND LABRAL TEARS

- The American Journal of Sports Medicine, April 2008: *The Effect of Glenohumeral Position Following Anterior Dislocation.*
  - Funded by the American Shoulder and Elbow Surgeons Research Grant
- Orthopaedic Knowledge Update, Shoulder and Elbow 2008: *Basic Science of Shoulder Instability*
- Research in Progress: *Biomechanical Analysis of Arthroscopic Labral Repairs.*

### SHOULDER SEPARATION (ACROMIOCLAVICULAR JOINT)

- The American Journal of Sports Medicine, October 2010: *Intramedullary AC Ligament Reconstruction with Suture-button Fixation Biomechanically Strengthens Isolated C-C ligament Reconstruction in AC Dislocations.*
- Research in Progress: *Epidemiology of AC Joint Separations and Treatment patterns in the National Hockey League*

### ROTATOR CUFF REPAIR and GROWTH FACTORS

- Arthroscopy, 2010: *Biologic Augmentation of Rotator Cuff Repairs in a Sheep Model.*
  - Funded by The Oxnard Foundation
- Journal of Shoulder and Elbow Surgery, publication pending: *A Water-Tight Construct in Arthroscopic Rotator Cuff Repair*

### BASEBALL INJURIES AND ULNAR COLLATERAL LIGAMENT INJURIES

- Journal of the American Academy of Orthopaedic Surgeons, March 2007: *Understanding Shoulder and Elbow Injuries in the Overhead Throwing Athlete.*
- The American Journal of Sports Medicine, March 2010: *Ulnar Collateral Ligament Reconstruction (Tommy John Surgery) Using a Novel Fixation Technique.*

#### PITCHING BIOMECHANICS AND YOUTH PITCHING INJURIES

- The American Journal of Sports Medicine, August 2009: *The Effect of Pitching Biomechanics on the Upper Extremity in Youth Baseball Pitchers.*
  - Funded by the Major League Baseball Research Grant
  - Funded by the Pfizer InScope Research Grant
- Journal of Pediatric Orthopaedics, publication pending: *Clinical and Imaging Findings in Little Leaguer's Elbow.*
- Manuscript Submitted: *Pitching Biomechanics in the High-School Athlete.*
- Research Presented at AAOS Annual Meeting:
  - *Shoulder motion and laxity in youth and adolescent baseball players*
  - *Scapular positioning in youth and adolescent baseball players*

#### GOLF INJURIES AND BIOMECHANICS

- Research In Progress:
  - *The Effect of Golf Swing Biomechanics on Upper and Lower Extremity Kinematics*

#### ANTERIOR CRUCIATE LIGAMENT INJURIES AND RECONSTRUCTION

- American Journal of Sports Medicine, June 2008: *Effects of a Neuromuscular Training Program on Lower Extremity Joint Biomechanics.*
  - Funded by the Pfizer InScope Research Grant
- Research in Progress:
  - *Optimizing Femoral Socket Placement in Anterior Cruciate Ligament Reconstruction.*
  - *Revision ACL Reconstruction: Analysis of Mode of Failure and Injury Patterns*

#### MENISCUS TEARS AND ARTHRITIS

- Research in Progress:
  - *MRI Assessment of Meniscal Loss Following Partial Meniscectomy*
  - *Arthroscopic Assessment of Meniscal Loss Following Partial Meniscectomy*

#### SPORTS MEDICINE EDUCATION

- Influence of Sports Medicine Fellowship Training in Orthopaedic Surgeons

#### OTHER RESEARCH INTERESTS AND PUBLICATIONS

- Distal Bicep Tendon Repair
- Suprascapular Nerve Decompression
